**TERMS & CONDITIONS:** I understand that the Authorized User will have full access to the account referenced above. Illinois Community Credit Union (ICCU) personnel can discuss the account with the Authorized User, and the Authorized User will receive a card in their name and can make purchases and cash advances on this account. Furthermore, the Primary and Secondary account holder, if applicable, acknowledges that an Authorized User is not responsible for repayment on this account. I acknowledge that my terms and agreement will in no way change by adding an Authorized User to my ICCU Visa® Credit Card. A new credit card number will be assigned when removing an Authorized User. Illinois Community Credit Union chooses to report Authorized Users on Visa® Credit Cards to credit reporting agencies. You must notify ICCU in writing of any termination of an Authorized User's right to access your account. Your notice must include the name of the Authorized User and your account number and/or any sub-account number issued to the Authorized User along with the Authorized User's card and any convenience or other access checks issued to the Authorized User.
